I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

I have used specialized compounded
medicine for a number of years to relieve
severe depression. It has changed
my life in that I can now function
normally. This is the only way I can
get the natural hormones I need.
